Conservation Research, Technician(s) – 2023

POSITION DESCRIPTION: The [Conservation Research Program](#) at the [Institute for Applied Ecology](#) will be hiring multiple technicians this summer for field work and related activities. Technicians will work on a variety of projects throughout the state of Oregon, including rare plant habitat surveys, threatened and endangered species research and monitoring, and invasive species research. Position is based in Corvallis, Oregon, but up to 50% of the work is conducted out-of-town/overnight (accommodations include camping and occasionally hotels).

START DATE (TENTATIVE): April 12, 2023

END DATE: July 21st with the possibility for extension (dependent on funding and performance)

QUALIFICATIONS:

- B.S. in a relevant field, or equivalent experience
- Mature, self-motivated, highly organized, and very comfortable working in and camping with a 2- to 4-person field crew
- Must have a valid driver's license, be willing to travel, and be able to perform strenuous work in all weather conditions
- Essential job functions include ability to hike 5+ miles in rugged terrain carrying a 30-lb load and work in a bent-over/kneeling/sitting position for long periods of time
- Basic computer skills (MS Word and MS Excel) required
- 1 or more seasons of field research experience, with preference given to those with skills in vegetation monitoring and inventory protocol and identifying plants of the Pacific Northwest

COMPENSATION: \$19/hr, plus travel expenses associated with overnight field work (food and lodging). Housing in Corvallis is not provided. Applicants are encouraged to inquire about IAE's Pay Advance policy if you need assistance in meeting financial obligations prior to the first pay period. This is a full-time temporary position with paid holidays and sick leave.

VACCINE REQUIREMENT: AE has a mandatory Covid-19 vaccination policy. All employees are required to submit proof of vaccination prior to employment. Applicants may request exceptions and reasonable accommodations for medical or religious reasons. Any offer of employment will be contingent on complying with this policy.

TO APPLY: You must complete the online [application form](#). Also include: a letter of interest stating when you will be available to start work, resume, and transcripts (unofficial is fine) as a single PDF document emailed to jobs@appliedeco.org no later than **11:59 pm, Sunday, January 8, 2023**. *In the subject line, please write the position title for which you are applying.*

You will be required to include the names and contact information for three references in your online application form. AT LEAST ONE reference must be from a supervisor from a work experience.

INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED. Non-U.S. residents must also include a copy of their work visa. Applications will be considered upon receipt. If you are applying for more than one position at IAE, please send separate application emails for each position, and include the job title in the subject line. Please direct all inquiries to jobs@appliedeco.org.

Studies have shown that Black, Indigenous and People of Color (BIPOC), women and other marginalized groups are less likely to apply for jobs unless they believe they meet every one of the qualifications as described in a job description. We are most interested in finding the best candidate for the job, and that candidate may be one who

comes from a less traditional background. If you are interested in applying, we encourage you to think broadly about your background and qualifications for the role.

IAE supports diversity and equity, and we encourage applications from all groups of people. We recognize that the strength of IAE is in our people, and we believe that every employee has the right to work in surroundings that are free from all forms of unlawful discrimination and harassment. IAE does not and will not discriminate in employment and personnel practices, and our commitment to equal employment opportunity applies to every aspect of the employment relationship.
